Effective Emergency Management Program

ILLINOIS EMERGENCY MANAGEMENT AGENCY (IEMA)

MONDAY · SEPTEMBER 16 · 8am to 4pm

One-day course designed to provide the knowledge and skill set necessary to develop and execute an effective emergency management program.

The primary responsibility of IEMA is to better prepare the State of Illinois for natural, man-made or technological disasters, hazards or acts of terrorism. IEMA coordinates the State's disaster mitigation, preparedness, response and recovery programs and activities, functions as the State Emergency Response Commission, and maintains a 24-hour Communication Center and State Emergency Operations Center (SEOC). The SEOC acts as lead in crisis/consequence management response and operations to notify, activate, deploy and employ state resources in response to any threat or act of terrorism. IEMA assists local governments with multi-hazard emergency operations plans and maintains the Illinois Emergency Operations Plan.

ILLINOIS SEARCH AND RESCUE COUNCIL (ISARC)

TUESDAY · SEPTEMBER 17 · 8am to 4pm

ISARC is a charitable, professional, and educational organization which supports, coordinates, develops, promotes, and implements search and rescue resources with the underlying principles of saving lives and preserving property through its support of the National Search and Rescue Plan, the National Response Framework, and Illinois Emergency Operations Plan.

Their membership is comprised of SAR teams from all across the State of Illinois, and some surrounding areas, that have come together to further the professionalism of the SAR discipline. Teams include organizations from public safety organizations, as well as non-governmental organizations, providing search and rescue services for missing persons within the State of Illinois.

USE OF DRONES - Matt Udelhoven

WEDNESDAY · SEPTEMBER 18 · 8am to noon

The use of drones in law enforcement is a complex issue. This session will focus on several aspects including drone capabilities, legal issues, potential scenarios that law enforcement may encounter, agency protocols and policy, and holding a public forum.

Matt Udelhoven has been with the Elgin Police Department for 27 years. He is presently a dayshift patrol Sergeant and the Drone Program Coordinator for the department's drone team. Matt has served in the traffic investigations unit and attended Northwestern University's Traffic Accident Reconstruction courses. He was a member of Elgin's SWAT team from 1996-2003 and the NIPAS Mobile Field Force from 1995-2006. In 2006, he joined the ILEAS Mobile Field Force and has served as Team Commander for Region 3N (Kane and McHenry Counties) since 2010. Matt holds a Bachelor's degree from Columbia College and is a graduate of the Northwestern School of Police Staff and Command #407.
