Dear Park Law Enforcement Professionals,

On behalf of the IPLEA Board, I welcome you to another year of membership with IPLEA. By renewing your membership, you will remain part of the only network and forum in Illinois that is specifically designed for Park Law Enforcement professionals like yourselves.

This year, the board has offered a new benefit to departments and their members. We are offering a super deal on our membership fees, which will allow all your sworn department officers to become members of our organization. Please remember to add your department's entire staff of sworn personnel to your membership.

Here is a breakdown of yearly membership fees for 2024:

- 1-10 Department Members - \$150.00
- 11-20 Department Members - \$250.00
- 21-31 Department Members - \$350.00
- 31 and up Department Members - \$500.00
- Individual Memberships per member - \$35.00

Your continued support through membership allows IPLEA to continue providing you and other members with relevant training and network opportunities at an affordable cost. Our organization is supported by over 100 members from agencies across the state, who understand your specialized purpose and face the same challenges, struggles, and successes as you do.

The Forest Preserve District of Will County hosted the 2023 Spring Conference. We are yet to finalize the location and training activity for this year's Spring Conference in 2024. We will email your point of contact for notification and future training, including the Fall conference. The IPLEA Board will host the Fall Conference in September 2024. Renew your membership now to receive a discounted rate for the Fall Conference, allowing you to enhance your conservation knowledge and network with other professionals.

Thank you for being part of IPLEA and supporting our mission. We look forward to seeing you at the Spring and Fall Conference.

Sincerely,

*Sgt. Giuseppe "Joe" Capece*
